If you confess with your mouth that Jesus is Lord and believe in your heart that God raised Him from the dead, you will be saved. Romans 10:9

K4 Mrs. Baker

For the month of April our class focused on new life! "Therefore, if anyone is in Christ, he is a new creation. The old has passed away; behold, the new has come." 2 Corinthians 5:17
After Easter we explored plants; how they grow, their different parts, and the new life they bring with each little seed. And to wrap up the month we explored the lifecycle of a ladybug. We learned that just like a ladybug gets a "new life" through metamorphosis, we also get a new life when we put our trust in Jesus. We also got real ladybug larva and are eagerly looking forward to watching them form into a pupa and then emerge as an adult ladybug!
Our final week this month was all about art! We learned about Vassily Kandinsky, Pablo Picasso, and Jackson Pollock. We had a great time creating great abstract masterpieces and finished out the month with MESSY ART DAY, where we made some very messy Jackson Pollock style art work. April was a great month of learning. Now we are headed into our LAST month of school for the year. Time flies when you're having fun!!! Happy May!

Family Night - with K3, K4 & K5

**All of your children did a wonderful job!
We had such a fun night together!
Great work!**

Megan's One's Class

God is growing up the ones class! Most of them are 2 now and doing big things. I love to hear them using each other's names, playing hide and seek, counting to ten, and singing the lunch prayer to our heavenly Father.

This month we learned about Jesus-our good Shepherd, Noah and the Ark, farmers, and April showers. Our favorite day was when Mr. Nathan brought in his special animals!
